ACT- CONCEPT TEST IN CHEMISTRY (CONTECH 2018-19)

Association of Chemistry Teachers (ACT) announces a **Concept Test in Chemistry (CONTECH 2018-19) 2nd Phase** to assess the conceptual understanding in chemistry. The test will have multiple choice questions and students of undergraduate level are eligible for the test.

This test is not only useful in testing conceptual understanding in chemistry but will be helpful in generating students' interest in chemistry as well.

Date of Examination : 2nd February, 2019

Eligibility : Bona fide students studying at undergraduate level
(BSc Part I, II & III)

Syllabus : Chemistry syllabus of regular B.Sc. courses of an Indian University

Fee : Rs.75/- per candidate

Examination : 80 Multiple Choice Questions (Duration 2 hours)

Time : 11.00 AM to 01.00 P.M.

One Day workshop on

“Opportunities and Challenges in Chemical sciences”

The lead college functions with the motto “Efforts of each and welfare of all” Amazing development in the field of information and communication technology, compelled us to strive hard for equality, assurance, and excellence in our higher education. Lead college is one of the most significant measures of total quality management in higher education.

Under lead college, Department of Chemistry has organized one day workshop on “Opportunities and Challenges in Chemical sciences” for UG and PG students on January 16, 2018. the sessions were inaugurated by Chief guest, Principal Dr. S. R. Mane, Principal, Arts, and Commerce college, Kasegaon. Principal Dr. K.G. Kanade presided the activity. The guests were welcomed and introduced by Prof.A.N.Yadav.

Session I: Inauguration and Keynote

Resource Person: Dr.S.R.Mane, Principal, Arts and Commerce College, Kasegaon

In his keynote address, Dr.S.R.Mane stressed the importance of personality development, soft skills in achieving target. Interview technique and computers are important in building on environmental awareness with 4R-reuse, reduce, recycle, and reproduce.

Session II: Career Opportunities for chemistry graduates

Resource Person : Prof A.N.Yadav, Head Department of Chemistry.

With the overview of various field to be undertaken by chemistry graduates, Prof. Yadav emphasized on employability and opportunities in the field of industry, research and education.

Session III: Chemistry Future perspective

Resource Person : Dr.R.R.Kumbhar, Department of Chemistry.

Dr.Kumbhar guided students on future perspective and research opportunities in allied fields. The importance and applicability of chemistry in day today life was his main focus.

250 Students from B.Sc III participated in the workshop
