“ Nanoworld Poster Presentation”

Yashavantrao Chavan Institute of Science, Satara Department of Nanoscience and technology organized “Nanoworld Poster Presentation” on 01/01/2019.

The theme of poster presentation was “Introduction, synthesis of Nanoparticles and application of Nanotechnology”. We invited a guest Prof. Dr. Arif D. Shaikh from School of Nanoscience and Technology, Shivaji University, Kolhapur to inaugurate this poster presentation. Dr. Mujawar S.K. (Department of Biotech) and Mr. B. S. Shinde (Department of Chemistry) examined the posters presented by the students. Total 40 posters presented by the 92 students. This poster presentation was benefited to the students which enhances their presentation skills.

Place: Students leisure place
Yashavantrao Chavan Institute of Science, Satara

Date: 01/01/2019

Time: 2:00 pm
