Annual Report: 2020-21

The COVID-19 pandemic has interrupted almost all aspects of the academics since almost all HEI's closed to in-person instruction in March 2020. Disruptions continued well into the 2020-2021 academic year, with the majority of academics was through online and virtual platforms. IQAC played pivotal role in availing the licensed copies of G-Suits, Google classrooms, WebEx, Zoom and other virtual and online platforms for uninterrupted teaching-learning, examinations and evaluations. By following the instructions and SOP's for preventing Covid-19, institute organized the activities in presence in the second half of the academic year. IQAC is instrumental in organizing the quality initiatives and activities for almost all stakeholders. Major quality initiatives titles covered are NAAC, FDP, National and International Conferences on different themes, NEP-2020, Academic and Administrative Audit, Examinations, Pedagogy, Blooms Taxonomy, Covid 19 & biotechnological remedies, skill and capability etc.
