

**Rayat Shikshan Sanstha's  
Yashavantrao Chavan Institute of Science, Satara (Autonomous)  
Department of Mathematics**

**List of Papers Publications (2022-23)**

| Sr. No | Name of the Faculty | Title of paper  | Journal/proceeding details (Name, volume, page no, year of publication etc.) | ISSN No  | Listed in Scopus/Web of Science/ UGC Care | Impact factor (If any) |
|--------|---------------------|---|--|--|---|------------------------|
| 1      | Ms. G.N.More        | Some results on nonlinear mixed fractional integrodifferential equations with nonlocal conditions | Advances in Differential Equations and Control Processes, Vol.- 28, 2022     | P-ISSN: 0974-3243                              | Web of Science                            |                        |
| 2      | Ms. G.N. More       | Some results on nonlinear mixed fractional integrodifferential equations                          | Journal of Advanced Mathematical Studies, Vol.- 15(3), 2022                  | ISSN (Print): 2065-3506<br>(Online): 2065-5851 | UGC Care                                  |                        |

**Paper Accepted (2022-23)**

| Sr. No. | Name of the faculty | Journal Name  | Title of Research Paper   | Month / Year of the published paper                                  | Listed in Scopus/Web of Science/ UGC Care |
|---------|---------------------|---|---|--|---|
| 1       | Mr. S. S. Nalavade  | The Journal of The Indian Academy of Mathematics                                  | Certain Class of Univalent Functions Associated With Mittag-Leffler Function                | <b>Paper Accepted</b> and likely appear in JIAM Vol 44 No. 2, (2022) | Peer reviewed                             |
| 2       | Dr. P. P. Yadav     | Turkish World Mathematical Society Journal of Applied and Engineering Mathematics | Mapping Properties of Holomorphic Function Associated With Gaussian Hypergeometric Function | <b>Paper accepted (2023)</b>   | Scopus                                    |
