

# Karmaveer Bhaurao Patil University, Satara

End Semester Examination, October/November 2025

## Time Table

### B.Sc. II (Professional Courses): Diploma & Skill (IIC)

| Day    | Date       | Time           | Course                       | Paper                                                      |
|--------|------------|----------------|------------------------------|------------------------------------------------------------|
| Friday | 05/12/2025 | 03.30 to 04.30 | Computer Science Optional    | Multimedia analyst and animator                            |
|        |            |                | Computer Science Entire      | Coral Draw Designer                                        |
|        |            |                | Biotechnology                | Biotechnology Marketing Assistant                          |
|        |            |                | Nanoscience & Technology     | Nano Technology Industrial marketing techniques            |
|        |            |                | Animation Science            | 3D Maya Animator                                           |
|        |            |                | Forensic Science             | Fingerprint Analyst                                        |
|        |            |                | Food Technology              | Jam, Jelly and Ketchup Processing Technician               |
|        |            |                | B. Voc. Software Development | Blockchain security assistant                              |
|        |            |                | Data Science                 | Ubuntu Administrator                                       |
|        |            |                | Computer Application         | Video Editing                                              |
|        |            |                | Artificial Intelligence      | Java Script Programming                                    |
|        |            |                | Bioinformatics               | Genomics Data Analyst                                      |
|        |            |                | Drug Chemistry               | Quality Control Analyst                                    |
| Monday | 08/12/2025 | 03.30 to 05.30 | Computer Science Optional    | Introduction to CSS and Web Hosting                        |
|        |            |                | Animation Science            | NULL                                                       |
|        |            |                | B. Voc.                      | Fundamentals of Cloud Computing II                         |
|        |            |                | Biotechnology                | Plant Tissue culture-I                                     |
|        |            |                | Food Technology              | Chemical Safety of Foods                                   |
|        |            |                | Nano Science and technology  | Nanomaterial Synthesis Techniques II                       |
|        |            |                | Forensic Science             | Investigative tools & techniques in Forensic Ballistics II |
|        |            |                | Computer Science (Entire)    | Python Programming                                         |
|        |            |                | Computer Application         | Advance Corel Draw                                         |
|        |            |                | Data Science                 | Microsoft Access                                           |
|        |            |                | Artificial Intelligence      | Data Pre-processing using Python                           |
|        |            |                | Bioinformatics               | Diploma                                                    |
|        |            |                | Drug Chemistry               | Pharmaceutical Drug Chemistry                              |
