RUSA sponsored  
**Hands On Training Workshop**  
On  
"Endotoxin Testing"

As part of the RUSA sponsored activities, Department of Microbiology and Biochemistry conducted "One day Hands on Training Workshop" on "Endotoxin Testing" on 16<sup>th</sup> Jan. 2020 for the students of M.Sc II. The training was prepared by Mr. Santosh Lokhande, Senior Consultant Radial Microbiotech, Services, Karad.

The training outlined the principles of Endotoxin testing and its application in pharmaceutical industries. Mr. Lokhande delivered a very informative lecture to make students acquainted with the concept of bacterial endotoxins and the basic GLP and GMP routines that is to be followed by an employee in any pharmaceutical industry. After the lecture Ms. Snehal Mali, Mr. Lokhande's Assistant performed a demo experiment and then students followed those protocols.

The training was successfully conducted. 29 Students of M.Sc II had the opportunity to work on industrial level experiment.
