Subject: Invitation as resource person for the for one day workshop

Respected Sir,

Greetings of the day from Institute!

As per our telephonic conversation, we, Department of Food Processing and Packaging, invites you as a resource person for one day workshop on **Government policies in food sector** organized on 2nd December, 2021. Your thoughts would enable the students to gain knowledge from your expertise and experience.

We would be grateful if you kindly accept our invitation and with your immense knowledge help the students to get a direction towards building their bright future. Hope to get a positive response from your end.

Thanking you,

Datta

One day workshop on Government policies in food sector

Report

The Department of Food Processing & Packaging, Y.C.I.S. Satara organized "One day workshop on Government policies in food sector" on 02/12/2020. The workshop was conducted for all B. Sc. And M. Sc. Students. For the workshop we had auspicious presence of Mr. Samsher Patil, Assistant Professor, College of Food Technology, Karad.

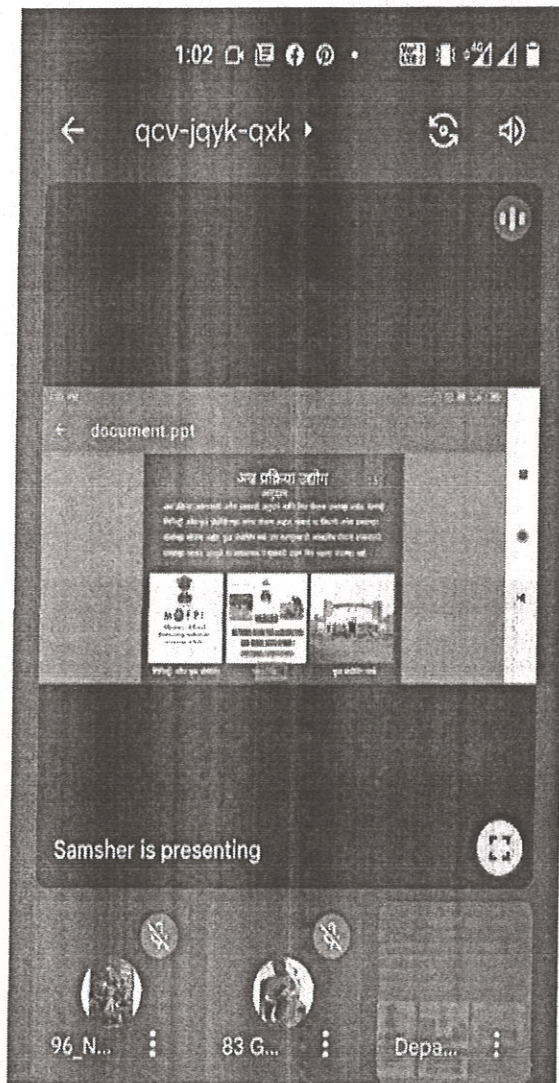

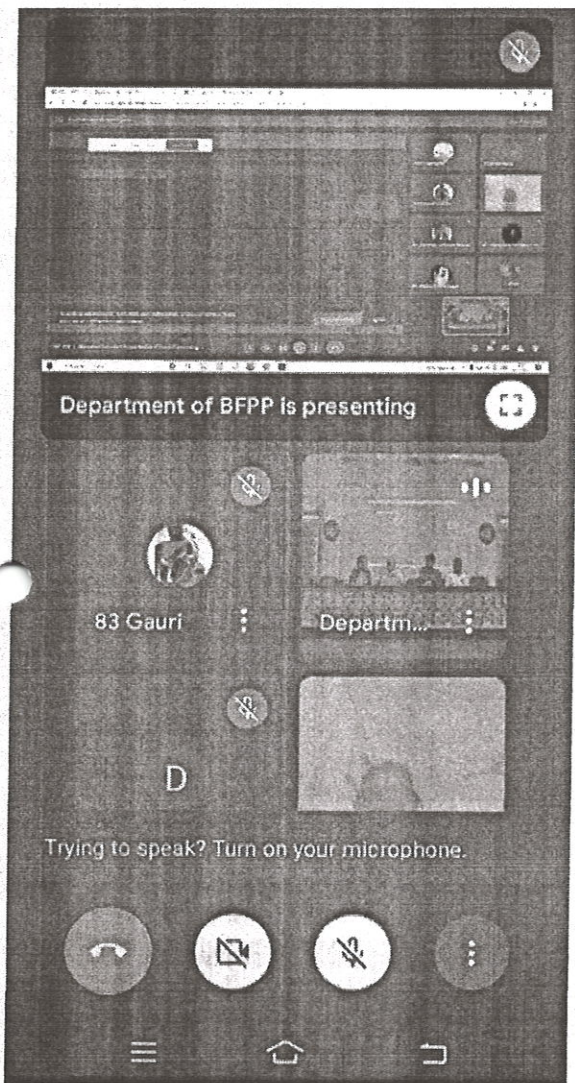

The workshop was conducted in two sessions. The workshop was inaugurated by Hon. Principal Dr. B.T. Jadhav with gracious presence of vice principle Dr. V. Y. Deshpande, student welfare dean Dr. M. A Patil and Co-ordinator of the department of Food Processing and Packaging Mrs. V. S. Patil. Both the sessions were conducted by the same speaker. In the first session Mr. Samsher Patil sir emphasized on the importance of food processing and also gave information on institutions that provide education in food sector in India. In the second session he focused on different Government policies in food sector. He brought into light the government policies and funding agencies in the food sector to become an entrepreneur. Mr. Shamsher Patil sir gave their tremendous contribution to show the right path to the students to choose their career wisely.

The workshop was conducted through online and offline mode. For online mode link was shared to the participants. Total 173 participants were participated from which 52 participants were attended the workshop through online mode and 121 participants were attended it through offline mode. The organization of workshop was done by the B.Sc. III students under the guidance of co-ordinator and faculty member of the department of food Processing and Packaging. The program concluded with an interactive session of the participants. Positive response of the participants was appreciated.
