"Student Training Program on Intellectual Property Rights (IPR)"

Department of Nanoscience and Technology organized "Student Training Program on Intellectual Property Rights (IPR)" under Lead college scheme, dated on 29th November 2021.

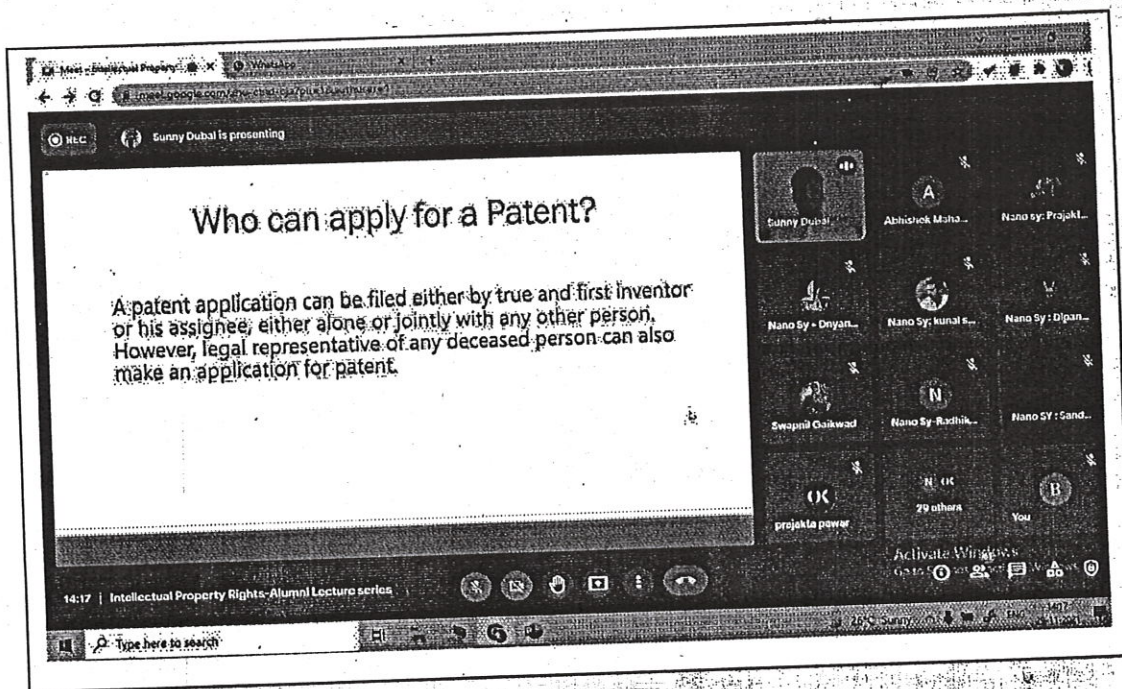

The program was carried out online via google meet on 29/11/2021 at 2.30 PM. The welcome and introduction of guest was carried out by Miss. Shinde S.S. She gives brief outline about the program and stated importance of IPR and patent formation. Mr. Sunny dubbal highlighted about IPR, He explained about which things can be patentized and what are the IPR and how they can be useful. He also highlighted ethical scientific writing without plagiarism. Along pursuing bachelor's degree diploma in Law will bring so much opportunities in Intellectual Property Rights. He also highlighted some career opportunities and Law collage information.

At the end of session Mr. Mane S. S. proposed a vote of thanks. The program was anchored by Miss. Shinde S. S. 45 participants are participated in this activity. All the participants are very curious about the topics covered in the training program.
