Report
 on
Innovative Poster Presentation Competition in Nanotechnology- Nanoworld

The Department of Nanoscience and Technology organized "Innovative Poster Presentation Competition in Nanotechnology- Nanoworld" for under Graduate Students on 13 May 2022. This program is divided into 2 parts such as Guest Lectures and Poster Presentation.

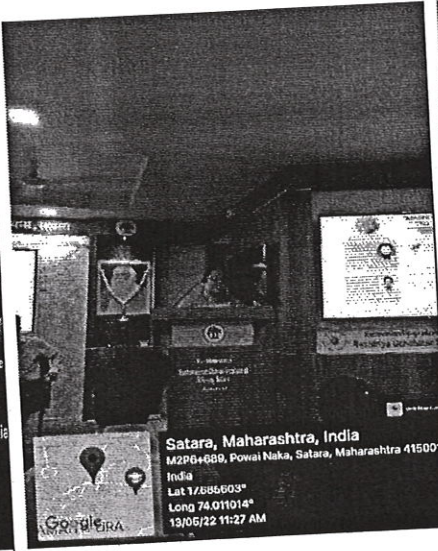

Report of Inauguration Function

For the inaugural Function, we invited Chief Guest Vice- Principal Dr. Mrs. Bhoite. S. A Madam & President as a Principal Dr. B. T. Jadhav Sir.

The program was carried out offline on 13 May 2022 from 11 AM to 11:30 AM. Mr. Sabale. S. R carried out welcome and introduction of guests and he introduces outline of the program. Then in front of 52 students of B.Sc. I, II & III year, Dr. Mrs. Bhoite S. A. gave a brief introduction about "Research in earlier stage," also she motivates and cheer students for new innovations. After the wonderful Talk, Miss. Shinde S. S gives the vote of thanks.

Miss. Shinde S. S gives the vote of thanks.

Report of Session I

For the Session I, we invited Resource Person as a Dr. Mujawar. S. H. Sir

The Session was carried out from 11:30 AM to 12:30 PM. Mr. Jadhav. S. D gave welcome and introduction of guest. Then, Dr. Mujawar. S. H gave a brief introduction about "Innovative nanomaterials in energy conversion and storage," also he motivates students to do new innovations and research in energy storage device. After the wonderful lecture, Miss. Shinde S. S gives the vote of thanks.

Report of Session II

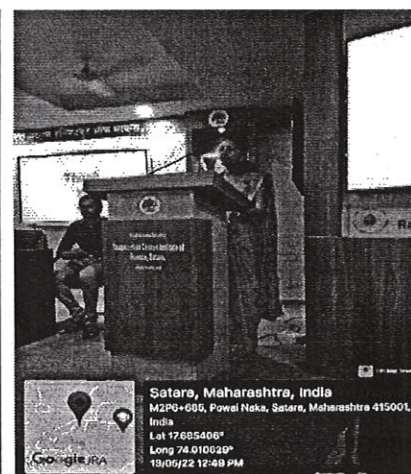

On the same day, at Session II carried out from 12.30 PM to 01:30 PM. Where the Mr. Babar B. M. Sir has invited as a Resource Person & Mr. Mali A. R. carried out his welcome and introduction. Then, Mr. Babar B. M. Sir gave a brief lecture on "Gas sensors" also he motivates and guide students to do new innovations in gas Sensors. After the wonderful lecture, Miss. Pawar P. M. gives the vote of thanks.
