Welcome Function of B.Sc. I & M.Sc. I

2023-2024

21/08/2023

Department of Food Processing and Packaging had organized welcome program for B.Sc.-I & M.Sc. I students on 21th August 2023. The program was organized with a purpose that the new students must get familiar with the department and activities conducted in the department. The vision of department is to develop new entrepreneurs and such programs enhance the hidden entrepreneurial qualities of the students.

Dr. Vijaykumar Chole Vice President, Satara Mega Food Park was chief guest of this program guided the students about career opportunities in future of food sector and how to start a new small scale industry and the challenges one will face while start-up. Dr. Vijaykumar Chole also said that, studying thoroughly on a specific idea will help us in developing new product and setting new market strategies. Tremendous contribution to create budding entrepreneurs and showed their complete support towards them.

During the program Mrs. V. S. Patil (Co-ordinator, Department of Food Technology) introduced about department and the departmental activities conducted in the year. Vote of thanks was given by Mr. Dure P. R. (Asst. Prof. Dept. of Food Technology). The program was organized by B.Sc. II, B.Sc. III & M.Sc. II year students of the department. Students got guidance all the faculty members of the department of Food Technology.
